About the Agility Course Test

All dogs must be held on a short leash (no flexis) or securely crated when not in the ring. All AKC regulations will be followed, including the allowed collars when a dog is competing. At the handler's option, dogs may run a course with or without a collar. The only collars allowed when running a course are flat buckle or rolled leather collars, and there shall be no attachments hanging or otherwise allowed on the collar (no tags or tab leashes). Please bring a crate with you so your dog has a place to relax while you walk the course.

The Agility Course Test (ACT) is an entry level agility event designed to introduce and welcome beginning dogs and their handlers to the AKC sport of agility. It is a great way for owners to bond with their dogs and teach discipline. In addition to demonstrating their dog's entry level skills, handlers will now learn some of the sport's basics like how to fill out an AKC entry form, check-in at the ring, take their dog in and out of ring, handle their dog while being judged and other skills that will help them when they move on to AKC agility trials with their dog. There are two levels of ACT events – ACT1 and ACT2.

- ACT1 is designed for the beginner level dog to show beginning sequencing and performance skills. Courses are 10 to 12 obstacles long and can include the A-frame, table, jumps, and tunnels.
- ACT2 requires an increased skill level shown by the additional obstacles to be performed. Courses are 11 to 13 obstacles long and can include all of the above, as well as the teeter, dog walk, tire, spread jumps, and weaves.

All dogs fifteen (15) months of age or older may enter provided they have not earned any AKC Agility Titles. Dogs may be entered at any of the following jump height divisions: 4, 8, 12, 16, 20 or 24 inches.

AKC registration is required to receive the ACT 1 and ACT 2 titles, but is not required to participate in the event. In order to acquire the title certificate and have the title added to a dog's record, the dog must be registered/listed with the AKC. Canine Partner applications may be accepted at the test by the judge/evaluator and submitted with test results. Dogs that are not AKC registered/listed may participate and their performance will be recorded by the AKC under a temporary recording number. This temporary recording number will be e-mailed to the owner and must be used when entering subsequent ACT events and when the owner registers/lists the dog. Note: Temporary recording numbers may only be used to enter ACT events.
